

Carbide Christmas Party For Kids Set Wednesday

Tickets are going . . . going . . . going for the big Christmas parties for Carbide kids. Recreation reports that the 11 a.m. and 1 p.m. tickets are already exhausted. So, if yours haven't been ordered, don't get set for those hours. Choose the other hours of 9 a.m., or 3 and 5 p.m.

The first batch of tickets went into the mails early last week . . .

and most of those who applied early should have theirs by now. Requests were pouring in by the hundreds.

For the big party this year, there is a trained bear act (The Naghtin Bears . . . five trained bears and their trainer) . . . along with the usual colored cartoons, group singing, and the climax of the show . . . the appearance of Santa Claus himself.

The ticket application appears for the last time in this week's Bulletin. Friday is the absolute deadline for the applications.

The parties will begin promptly at 9 a.m. next Wednesday, December 23, at the big Oak Ridge High School auditorium.

Don't have any disappointed kids around your house next Wednesday. Make sure they have their tickets in hand ready for one of the parties.

Children from two through ten are the main objects of the party. Children under that are too young to enjoy the festivities, and kids older are too blaise. (Of course, the adults get just about as much kick out of it as the children!)

Repeat! Ticket applications appear for the final time in this week's Bulletin.

Make sure yours has been filed. Friday is the absolute deadline. See you next Wednesday!

Next Week's Bulletin Is Final For 1964

Next week's Bulletin will be a big Christmas edition . . . the last paper of the year. (Traditionally, there is never a paper the last week of the year.) The dead-line will move up one day to Wednesday, December 16 . . . at 4:30 p.m.

Activities of employees during the holidays should be sent in by then to get in the big edition.

Jones Heads Physics Seminar This Week

Charles M. Jones, Oak Ridge Chemical Laboratory, OAK Division, will speak at this week's seminar. His subject will be "Nuclear Reactions Leading to Three Particles."

The Physics Division seminar is set for Friday, December 18, at 3:15 p.m. in the East Auditorium of ORNL's 4500 building.

Four Will Discuss DXC-1 At TD Seminar

J. L. Dunlap, Herman Postma, G. R. Haste and L. H. Reber will discuss the "DXC-1" at this week's Thermonuclear Division seminar.

It is set for 9 a.m. Thursday, December 17, in the TD Conference Room, Building 9201-2.

WE DON'T know what Mama Bear is doing here . . .

New Phone Numbers Effective Friday

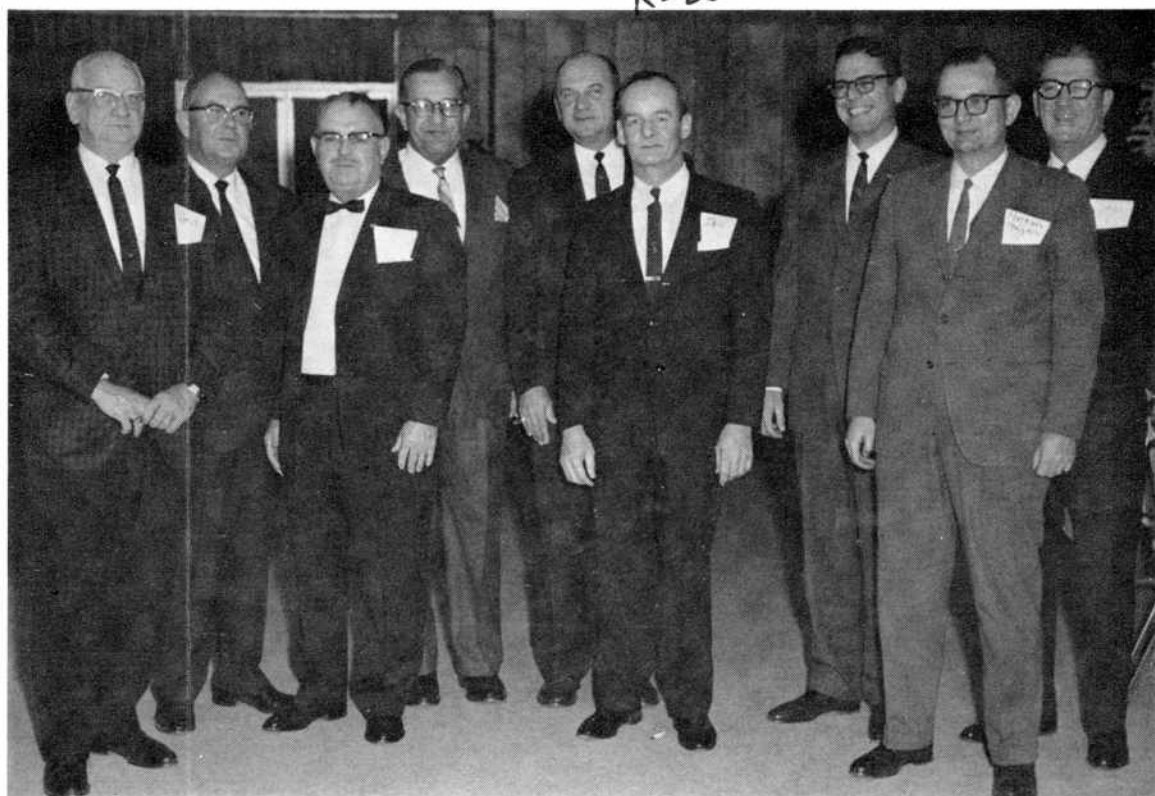

Cut-over to the new Federal Telecommunications System will be effected in Y-12 this coming Friday, December 18. Come the 8 o'clock whistle . . . and it's on!

Most new numbers have been installed in telephone extensions throughout the plant. The old number has been taped over the buttons. All we have to do is remove the old number and toss it.

New directories for all the plants have been issued, and the new numbers will take effect Friday at the cut-over. (All Y-12 numbers will begin with the numeral "3.")

If, by chance, your telephone did not get the new number with the '3' suffix, call Central Communications, extension 4281, and it will be attended to right away.

The original plans for the cut-over has been slightly altered by the General Services Administration. Long distance calls to other governmental agencies can be reached on a direct dialing in and out basis. Long distance calls to non-governmental agencies still will have to be carried through a local operator.

NEWCOMER TO THE OLD-TIMERS is seen in the middle of this picture. Y-12's contribution to the 25-year-and-over Union Carbide veterans list includes, from left, H. B. Davis, D. H. Rader, S. F. Creigh, Clark E. Center, manager of production; Edward A. Pluhar, who was taken into the group on December 7; T. I. Sloan, Y-12 Plant Superintendent Roger F. Hibbs, Industrial Relations Superintendent H. G. P. Snyder, and D. W. Harrigan.

6 Old-Timers In Y-12 Enjoy 185 UCC Years

A dinner honoring all Carbide Old-Timers in this area was held Monday, December 7, at the Holiday Inn, Oak Ridge. E. A. Pluhar, superintendent of Materials and Services Division was welcomed into the select group. C. E. Center, manager of operations, presented Pluhar with an "eternal" mantel clock to commemorate the occasion.

All five of Y-12's old-timers attended the function. Four of those five are beginners with the Chemicals Division . . . D. H. Rader, S. F. Creigh, H. B. Davis and D. W. Harrigan. All of these came from South Charleston except Creigh who began his Union Carbide days at Louisville.

T. I. Sloan began his Carbide days in the Carbon Division, Cleveland, Ohio.

A total of 40 people attended the banquet last Monday, honoring Y-12's contribution to the club. (Pluhar was the only Oak Ridger to be enlisted during 1964. Y-12 will have no entry in the group in 1965.)

D. H. Rader Jr., superintendent of the Plant Shift Superintendents and Utilities, is the eldest in company-service of the group. He goes back to January 5, 1930. Behind him S. F. Creigh, whose Carbide experiences began on April 7, 1930. H. B. Davis will also be a 35-year veteran next year, beginning his service on July 22, 1930.

Dave Harrigan went with the Chemicals Division, South Charleston, on September 15, 1934. Tennyson I. Sloan became a Carbider on August 31, 1936.

An aggregate of 185 years of company service are enjoyed by the six Y-12ers belonging to the Old-timers.

Congratulations, veterans.

Payroll Announces Holiday Hours

The Payroll Department has advised Y-12ers that there will be no pay-checks at the portals, Fridays, December 25 and January 1. Employees wishing to pick up their checks on those days may find them at the Plant Shift Superintendent Office, Building 9706-2.

Monthly salaried employees may pick up their December checks on Friday, December 18 at the Paymaster's Office, Building 9711-5, between the hours of 7 a.m. and 4:30 p.m. (Those banking by mail will also have their checks deposited for them early this month.)

Regular payoff schedules will be resumed on January 6.

CHEMISTRY ON WHEELS

The automotive industry is one of the largest volume users of chemical products.

Credit Union Closes Early Christmas Eve

The Y-12 Credit Union will close up shop early on Christmas Eve. The office will close at 3:30 p.m. on Thursday, December 24. The credit union has been keeping long Monday hours (9 a.m. through 6:30 p.m.) for the last several weeks for the convenience of its members.

Chorus To Present Seasonal Music

The Oak Ridge Chorus will present a Christmas concert Saturday, December 19, at 8:15 p.m. at the Oak Ridge High School auditorium.

Opening the program will be the rousing "Hallelujah, Amen" from Handel's "Judas Macabeus." Bach's "Kyrie" from the "Mass in b Minor" will follow. Haydn's "The Heavens Are Telling," and Ernest Bloch's moving "Avodath Hakodesh" will also be included in the chorus program.

The popular Madrigal Singers will present "Allon, Gay Bergers," "Here Mid the Ass and Oxen Mild," and "The Holly and the Ivy."

Respighi's sensitive and dramatic "Laud to the Nativity" will be the main feature of the program.

Sponsored by the Oak Ridge Civic Music Association, the concert features works in English, Hebrew, Latin and Old Italian. Tickets for the concert will be available at the box office prior to the program.

UTOPIA REVISITED

Wouldn't it be nice if a man could do all the things his wife suspects he does?

We have a quarrel with our older brothers . . . the daily newspapers. One of our favorite places to read was once in the 'personal' section of the classified ad page . . . where such things as "Dear John . . . please come home . . . all is forgiven . . . Effie Lou," appeared.

Have you seen those personals lately? . . . there are truss ads, beauty parlor ads, Arthur Murray dancing ads, and everything but Effie Lou's plaintiff note. If we edited a large daily and ran a personal column in the want ads . . . it would be personal!

No Effie Lou notes around Y-12 . . . but a few personal items including

BROCK—HILL

Miss Mary Lou Hill and Mr. Bill R. Brock were married on Saturday, December 5, at the home of the bride's parents, Route 11, Old Andersonville Pike, Knoxville. The Reverends S. R. Cos and William E. Nichols officiated.

The bride is the daughter of Mr. and Mrs. C. J. Hill. The groom is the son of Mr. and Mrs. Lynn H. Brock, 104 Columbia Drive, Oak Ridge.

Given in marriage by her father, the bride wore a street length dress of white brocade with shoulder length veil held by a beaded tiara. Her bouquet was of white orchids and carnations. Her only attendant was her sister Miss Gerry Hill. She wore a dress of pastel blue crepe, with bell-shaped skirt.

The father of the groom served his son as best-man.

A reception followed at the home immediately after the ceremony.

After a honeymoon South, the couple is residing at their temporary address in the Black Oak Apartments, until their new home is completed on Brickey Lane, Knoxville.

Mrs. Brock is employed at Fountain City Bank, Knoxville, and the groom is in Y-12's M Wing Shop, Fabrication Division.

DITCHEN—COBB

Mr. Harold W. Ditchen, Research Services, and Mrs. Grace M. Cobb, ORNL's Isotope Division, were married on December 5, 1964. The ceremony was performed at the United Church, at 2 p.m., by the Reverend J. E. Spicer. Both the couple's children attended the rites.

Mrs. G. M. Kimbrell, Knoxville, was her mother's attendant . . .

and Mr. Richard H. Holbrook, Product Engineering, acted as his father-in-law's best-man.

A reception for close friends and fellow employees was held after the ceremony at the home of the bride. Tanya Thompson, Technical Services Division, daughter of Mr. Ditchen, assisted with the reception. Her husband Jim Thompson, also of Technical Services, helped honor the couple.

The Ditchens are at home at 107 Henley Road, Oak Ridge.

REIGNING ROYALTY AT DYLLIS SCHOOL includes three Y-12 children seen above. Betty Jo Westcott, daughter of Mr. and Mrs. Roy Westcott (Alpha Five Machine Shop), was crowned Princess, as Troy Tucker, son of Mr. and Mrs. T. D. Tucker (Dispatching) was named Prince. Diane Patterson, daughter of Mr. and Mrs. William Patterson, was named Queen; while Freddy Bender, son of Mr. and Mrs. William H. Bender (Research Services) was crowned King. The Fall Festival was held at Dyllis School recently.

COMPLETE WITH BEADS, BANGS, and even a 'raid' the Assembly Division's big Christmas Party was a bang. Hoods and molls, flappers and "Joe College" were all over the place, doing the Charleston, sipping tea, and saying things like . . . "23 Skidoo!" and "I Love My

Wife, But Oh You Kid!" . . . et cetera. The big dinner-dance was staged at Deane Hill Country Club, Friday, December 4 . . . with a full complement of Roarin' 20's characters. Costumes were in abundance, as per the above pictures. Writers have often dubbed the 20's

the "lost generation." We're glad to see that it's found again . . . if, indeed, it was ever lost to start with! Two questions have arisen from the dance, however . . . who appointed Steve Pelizzari emcee . . . and what is Jo Ann doing on the table?

Y-12 Raiders Win One, Lose One As Atoms Rest In Basketball Action

The Y-12 Raiders jumped the gun early last week in the Basketball League by downing the Fuds 47 to 28. Jim George scored 15 points for the winning team, and Carlos Brooks dropped 10 through the basket. In other action Monday the Fearless Five defeated the Biology quintet by a score of 41 to 39. The All Stars downed Analytical Chemistry 45 to 28. Y-12's Raiders raided the playhouse of the Analytical Chemis-

try five Tuesday and defeated them 46 to 33. It was George again on the hoop with 16 big points . . . and Jim Pugh with 13. This was a close one until the last five minutes of play when the fast break of the Raiders proved too much for the AC outfit. Wednesday's action began as the All Stars downed the Fuds 57 to 39. Y-12's Raiders lost a thriller in game number two to the Metals and Ceramics crowd.

The final score was 49 to 39. George again was high-scorer, taking 11. Bob Medlin scored eight big points for the Raiders also. The game stayed extremely close for the first two periods . . . but M&C pulled away with

Has-Beens Lock Up Classic Alleys

With only one week left to roll in the first half, the Has Beens locked up the Classic Bowling League last week. They took the Cubs for the full count. Other four-point wins went to the Rippers over the Eightballs. Three points were gained as the Swingsters swung by the Tigers, the Wasps walloped the Wolves, the Markers out-marked the All Stars, the Smelters reduced the Splinters, and the Rebels routed the Playboys. The Screwballs and Bumpers shared two points each.

Bill Sise, Swingsters, rolled high singles, taking a 253 scratch, 269 handicap game. His scratch series of 603 was high also. Nelson Tibbatts, Rippers, took a 679 handicap series!

The Swingsters rolled high singles in scratch counting with 973 . . . and the Rippers took the rest of the board. Their 1083 handicap singles were high . . . and they posted series in the order of 2762 and 3164.

CHRISTMAS HOLIDAY for Y-12ers.

Beavers Still Up In Volleyball

Y-12's Beavers continue their hold on first-place in Volleyball standings, as they downed the Scrubs for four games, 15-9, 15-10, 15-7 and 15-5. The Set-Ups took four from another Y-12 team, 15-4, 15-5, 15-10, and 15-10.

Other action saw the Old Men take three from ORSORT 15-13, 15-12, and 15-7, while the ORSORT crew took one 14-16. The

Sunflowers Still C Team To Stop

The C Bowling League has only two weeks left to roll in the first half. If someone's going to stop the Sunflowers, they'd better get at it. The Hi Lifers did their part last week by taking them for three points. Then the Strikers took second-place Hookers for the same three. The Rounders moved up by taking three from the Badgers. Three points went to the Five Roses over the Rodders and the Parbustars over the Shud-A-Beens. The only four-point win of the night went to the Big Five over the Lucky Strikes.

J. W. Halsey, Sunflowers, took his fair share of honors. His singles of 244 scratch, 260 handicap were high . . . and his scratch series of 642 was high also. Herm Butler, Parbustars, had a 693 handicap series.

The Sunflowers took scratch highs, rolling singles of 976 and series of 2706. The Hookers had high handicap singles of 1062 . . . while the Five Roses captured handicap series highs with 3018.

League standings follow:

MOVING UP is the word for the Twisters in Y-12's Mixed League. Seated are Ellie Rekemeyer and Janet Schenck . . . and standing are Pete Rekemeyer and Werner Schenck. The Twisters last week edged to within three points of first place in Y-12's only man and woman bowling league.

Twisters Challenge Goofers For Mixed Bowling League Tops; 2 Weeks To Go

A new contender for Mixed League honors moved into the spotlight last week, as the Twisters edged toward the magic circle. They downed the Chumps for the full count, to wrest second place standings away. The Alley Cats took a fullcount forfeit from the Bingos. Three point wins went to the Goofers over the Turtles, and the Alley Oops over the Blue Angels.

Janet Schenck, Twisters, twisted all female honors, rolling singles of 223 scratch, 274 handicap . . . series of 500 scratch and 653 handicap! The Twisters took high singles, with 677 scratch, 883 handicap . . . and a total handicap series of 2426.

The Goofers stopped the complete rout of highs by taking scratch series scores of 1904.

Bill Shelton, Alley Cats, took high singles on the male side with a 205, 228 game. George Cantrell, Turtles, had a 556 scratch series and Bill Stephens, Goofers, rolled a 613 handicap series.
